

Bill Long Speaks Before the NYS Motor Truck Association

SEPTEMBER 2007

New York State Motor Truck Association, Annual Convention, Invited Lecturer
Risk Management for Company Owners
New York, New York, September 11, 2007

Bill Long was invited to speak at the New York State Motor Truck Association's Annual Convention in New York City on September 11, 2007. He presented the topic "Risk Management for the Trucking Company Owner". The audience was comprised of owners, general managers and risk managers from trucking companies across New York State. Bill's topic addressed various liability concerns and the policies and procedures a fleet owner must consider involving vehicle accidents, investigations, accident reconstruction, governmental reporting and maintenance of company reports pertaining to driver training and accidents.
